### Seminars

	<b>Course</b>	<b>Degree programme<sup>5</sup></b>	<b>Type of studies</b> (Bachelor's , Master's, Doctoral)	<b>Period from-to</b> (years)	<b>Number of semesters taught by the applicant</b>	<b>University</b>
--	---------------	-------------------------------------	---	----------------------------------	--	-------------------

## ii) Supervised Bachelor's and Master's theses

### *Bachelor's theses*

<sup>4</sup> Or field of study accredited in accordance with a previously valid wording of the Higher Education Act.

<sup>5</sup> Or field of study accredited in accordance with a previously valid wording of the Higher Education Act.

Number of successfully defended theses	0
Number of unsuccessfully defended theses	0
Number of theses in progress	0
<b>Total number of theses</b>	<b>0</b>

#### Master's theses

Number of successfully defended theses	0
Number of unsuccessfully defended theses	0
Number of theses in progress	0
<b>Total number of theses</b>	<b>0</b>

#### iii) Supervised doctoral candidates

1.	Candidate's name and surname:	MUDr. Martin Jouza
	University / faculty	Masaryk University/Faculty of Medicine
	Field	Paediatrics
	Doctoral thesis title	Studium septických stavů v novorozeneckém věku: identifikace a funkční charakterizace mikroRNA a specifických aktivačních markerů s prediktivním významem
	Thesis status including defence year, if applicable	2nd semester, 1st year doctoral full-time
	Graduate placement following completion of studies <sup>6</sup>	

#### iv) Membership in state examination boards (SEB), doctoral boards (DB) and doctoral committees (DC) of doctoral degree programmes

	Board (SEB, DB, DC)	Position	Type of studies (Bachelor's, Master's, Doctoral)	Field of study	Period from-to (years)
1.	DB	Supervisor	Doctoral	Paediatrics	2020-2021
1.	SEB	Member	Master's	Paediatrics	2019-2021

#### v) Pedagogical works<sup>7</sup>

##### Textbooks<sup>8</sup>

[1] ...

##### Textbook texts (including textbook chapters) and other teaching aids<sup>9</sup>

<sup>6</sup> Information on a supervised student's placement following his/her completion of doctoral studies, i.e. whether he/she has found application in the field or other employment, whether he/she has received awards, grants, etc. In case you are unable to locate such information, please indicate "missing information".

<sup>7</sup> Do not list publications listed in Annex no. 5.

<sup>8</sup> In the case of professor appointment procedures, applicants must always list at least three works they consider most significant.

<sup>9</sup> Study materials such as textbooks, e-learning materials, etc.
